## CONNECTING OPPORTUNITIES

---

Governors is more than a trading company, it connects opportunities from suppliers to customers to its rightful market. It's not just transactional, the goal is to create a meaningful and long-term customer and supplier relationship that will carry through years and eventually help them achieve their targets and objectives.

# WE ARE IN BRIEF

## NOTHING IMPORTANT THAN CONNECTING RIGHT PEOPLE WITH THE RIGHT PRODUCT & SERVICES.

We are Governors International Agencies (Pvt) Ltd, a global supply chain management company led by a professional and dedicated team with world-class credit and financing capabilities.

We trade a broad range of Raw Materials, Commodities, Services, machineries, and spare parts for industries such as Rubber and plastic, Power and energy, Paint, Waste Water, Mining, agriculture, and pharmaceutical. Governors are also involved with Investment Services and Logistic Solutions with the collaboration of the world's leading organizations.

Along with the trading activities, our team of experienced professionals tailor solutions to assist customers with their specific requirements, ensuring products and services can be purchased on the credit terms that best match their business requirements.

We serve our customers from offices located in Asia, Africa, Europe, USA, and the Middle East approaching each relationship to create long-term and sustained partnerships built on the shared values of trust and consistency.

# WHAT WE DO ?

## GOVERNORS MAKES YOU BIGGER AND BIGGER

At Governors, global supply chain management presents growth opportunities for those who wish to expand their business in to new and existing markets. Leverage on Governors entrepreneurial talents in anticipating foreign market trends and enabling companies to connect and create mutually beneficial relationships with its diverse network of international suppliers and customers.

# HOW WE DO ?

## GOVERNORS CONNECTS OPPORTUNITIES

We know how to select the most suitable opportunity for you when needed.

Governors worldwide trustful connections will bring you the most important and valuable opportunities always and continuously. We make sure you are in.

## CUSTOMER CARE

Delighting customers is at the heart of all that we do

Your business is our business. We care for your business like it's our own. We take the time to understand our client's businesses and their unique set of circumstances, ensuring we go the extra mile to exceed expectations

## TEAM WORK

With Excellent team Collaborate synergistically to success.

We commit to achieving our goals through collaboration and constant communication. Our success and growth are made possible by the commitment and integrity of our diverse and highly valued team members. Only by sharing ideas, technologies, and talents can we achieve and sustain profitable growth.

## PROFESSIONALISM

Deliver more than expected consistently

We pride ourselves on competent people who are committed to delivering the objectives. Our reputation as a trustworthy business partner is critical our business success. Uncompromising professionalism and a genuine pride in delivering high-quality work underpin the reason for our continuous improvement to keep up with globalization.

## EXCELLENCE

We are committed to delivering excellence every step of the way. We want to delight our customers and suppliers by ensuring that the process is well monitored and implemented as committed - from supplier selection to delivery at your doorstep. We ensure that your goods are safely delivered to your destination and manage any issues that might occur during the process.

# SERVICES

## LET'S MAKE THINGS SIMPLE

The supply chain process is complex, but we make it simple. Governors work with the customers and suppliers to ensure everyone is guided from start to finish. We commit to ensuring that the objectives are met and completed on time..

## SALES AND MARKET DEVELOPMENT

Governors provide valuable market intelligence and sales solutions for companies who wish to expand their reach to new markets. By supplying our clients with the knowledge, insights, and strategies, they can set future performance expectations, evaluate risk, and analyze customer acceptance that will solidify their position and expand their reach to new markets.

## STRATEGIC SOURCING AND SUPPLY CHAIN MANAGEMENT

At Governors, we do things differently. We challenge conventional thinking and engineer innovative sourcing solutions that put you in a strategic position to procure the best products and services at the best value.

Governors provide you with best practice approaches in supply chain management to improve productivity, increase cost savings, and mitigate risks through our network.

## INTERNATIONAL TRADING & DISTRIBUTION

International trading involves the exchange of goods and services across international borders and territories. Governors make it easy for a supplier or customers to access the world by providing the expert route to supply or deliver the goods and services to meet our partners' objectives.

And there's more, Governors make distribution simple by providing all-in-one logistical solutions to companies who do not want to burden themselves with importation processes and still want to manage the risk and achieve their objectives.

# PRODUCTS

As well as various services provided by our company Products are also offered for you. Governors is a company that has long provided the most reliable service to its members. The same trust can be placed on our products and services.
